Tests ProLogue Premium Integrated:

"In my listening tests, it... gave high-end references more than a run for their money."
- Robert Deutsch *Stereophile* U.S.A

"The ProLogue Premium performs well beyond its real-world price tag."
- Lawrence Devoe *TONE Audio* U.S.A

"I sat stunned in my chair. I couldn't move. There was more force and life from that amplifier/speaker combo than from my wife during an argument."
- Adam LaBarge *Audioreview.com* U.S.A

"It's hard to walk away from this amp without being mightily impressed."
- Neil Gader *The Absolute Sound* U.S.A

"PrimaLuna strikes again!"
- Werner Ero *Music Emotion* The Netherlands
