BOREA RANGE
AWARDED WITH THE EISA 2020-2021 PRIZE
«BEST BUY HOME THEATRE SPEAKER SYSTEM»

EISA AWARD 2020-2021

The entire Borea range was recognized by EISA expert as
"Best buy home theatre speaker system".

We are honored to have received the recognition for our BR09, BR08, BR07, BR03, BR02 and BRC1 speakers.

This award places once again TRIANGLE brand as one of the top leading manufacturers in both luxury and affordable Hi-Fi.

« For its new multichannel speaker range, Triangle has crafted cabinets with a stylish, clean aesthetic while firmly keeping an affordable price point in its sights. [...] For those building a wallet-friendly home theatre, you can't go wrong with these.» EISA 2020-2021

BOREA, A GLOBALLY ACCLAIMED SERIE

Since it launches in September 2019 the Borea range has received a warm welcome from the critics as well as our customer. Numerous international Hi-Fi magazines have recognized its excellent performance as well its price / quality ratio. This makes Borea one of the most attractive option for Hi-Fi speakers under a 1000€.
